

Police Department Forms

[Business Emergency Contact Form](#) -- This form is to provide us with contact information in case of an emergency and should be completed by every business in the township so we have contact information

[Home Security Survey Checklist](#) - This form provides a comprehensive way to check the security of your home so you can determine places where you need improvement within your home to keep out unwanted visitors.

[Vacation House Check Form](#) - This form should be completed by you if you go on vacation or away on business so the police can contact you in case of an emergency.
