Bodycam Usage

Warehouse Ordinance

RV Ordinance

A Large Vehicle may be stored, unoccupied, upon private property, including but not limited to storage on private roads owned by or leased to the owner of such Large Vehicle. All such stored Large Vehicles must be located on the side or rear of the property on a crushed stone, black top or concrete surface capable of supporting the vehicle. All parking areas and access roads or areas that are created or expanded after the adoption of this Ordinance shall be constructed of a hard, homogeneous, all-weather surface such as cement or asphalt or equivalent; shall be graded to provide convenient vehicular access and proper drainage; and shall be maintained in good and usable condition. All existing parking areas and access roads or areas shall be constructed and maintained with an aggregate base, cement or asphalt all-weather surface. The parking of Large Vehicles on any surface or the accessing of parking areas across any surface that is not constructed in accordance with these regulations is strictly prohibited.

It shall be unlawful for any Recreational Vehicle to be occupied for living purposes within the Township, whether located on a public street, public property or private property.
